

YEARLY STATUS REPORT - 2022-2023

Part A	
Data of the Institution	
1.Name of the Institution	SHRI SHIVAJI COLLEGE OF PHYSICAL EDUCATION AMRAVATI
• Name of the Head of the institution	DR ULHAS V DESHMUKH
• Designation	PRINCIPAL
• Does the institution function from its own campus?	Yes
• Alternate phone No.	7058009666
• Mobile No:	7218957454
• Registered e-mail ID (Principal)	shivajibpedamt@gmail.com
• Alternate Email ID	uvdeshmukh66@gmail.com
• Address	Shivaji Nagar, Panchavati Square
• City/Town	Amravati
• State/UT	Maharashtra
• Pin Code	444603
2.Institutional status	
• Teacher Education/ Special Education/Physical Education:	Physical Education
• Type of Institution	Co-education
• Location	Urban

• Financial Status	Grants-in aid				
• Name of the Affiliating University	SANT GADGE BABA AMRAVATI UNIVERSITY AMRAVATI				
• Name of the IQAC Co-ordinator/Director	DR PREMSINGH SAYAR				
• Phone No.	9623440805				
• Alternate phone No.(IQAC)	9665103257				
• Mobile (IQAC)	8329008214				
• IQAC e-mail address	shivajibpedamt@gmail.com				
• Alternate e-mail address (IQAC)	sayarpremsingh@gmail.com				
3.Website address	www.shivajibpedamt.org				
• Web-link of the AQAR: (Previous Academic Year)	www.shivajibped.org				
4.Whether Academic Calendar prepared during the year?	Yes				
• if yes, whether it is uploaded in the Institutional website Web link:	https://shivajibpedamt.org/pdf/academic_calendar_2022-23.pdf				
5.Accreditation Details					
Cycle	Grade	CGPA	Year of Accreditation	Validity from	Validity to
Cycle 1	B	02.03	2023	19/05/2023	18/05/2028
6.Date of Establishment of IQAC			06/07/2023

15. Multidisciplinary / interdisciplinary

Our College is an interdisciplinary having Physical Education, Sports and Yoga with number of courses like B.P.Ed., B.P.E.S. & Yoga. The primary objective of physical education is overall personality development. Complimenting to this objective, the paradigms of Physical Education, Sports and Yoga are integrated under the National Education Policy (NEP) 2020. Physical Education, Sports and Yoga professionals, will contribute in bringing Health and Wellness at every aspect of one's personality. We had to keep in mind the broad guidelines given by the UGC about making the citizens of 21st Century equipped with Critical Thinking, Problem Solving, Analytic Reasoning, Cognitive Skills, and Self- Directed Learning etc. The BOS committee had several meetings to develop the curriculum framework and they have come out with a broad outline for the Colleges and Universities to take up the framework for Physical Education, Sports and Yoga. The broad aim of this framework is to make Physical Education, Sports and Yoga accessible and available to masses by creation of professions in Physical Education, Sports and Yoga through the Higher Education Institutions. This will thereby help every citizen of India to be Healthy, Fit and Stay well. The graduate level course in Physical Education, Sports and Yoga contains subjects varying from Foundation of Physical Education to Anatomy, Physiology, Kinesiology, Officiating & Coaching, Test & Measurement, Nutrition, Rehabilitation, Psychology, Sports Training, Sports Biomechanics, Methods of Teachings, History, Principles and Practices of Yoga, Application of Yoga etc. which are aimed to give thorough knowledge and skills to the students. Students perusing physical education, sports and yoga courses are fit to join the jobs as physical and yoga trainers, coaches, game officials, referees, umpires, curators, gym trainers, life guards, personal trainers, yoga therapist etc. During their course of education the students also develop the expertise to establish their own business as entrepreneurs in the field of Fitness, Sports, Yoga, Recreation, Adventure Sports, Camping, Event Management etc. The graduates who are interested can also pursue research in the field of Physical

Education, Sports and Yoga. Our College is ready to adopt various courses like: Life Style Management, Self-defense, Sports Event Management, Yoga and Fitness, Adventurous Sports, Fitness for Careers, Sports and Recreation, Physiotherapy, Massage, Sports engineering, etc. We are going to many value added courses, as well as self study courses so that we can promote our single disciplinary faculty into Multidisciplinary faculty with the view of NEP 2020.

16. Academic bank of credits (ABC):

DigiLocker is a secure cloud based platform for storage, sharing and verification of documents & certificates. DigiLocker aims at 'Digital Empowerment' of the citizen by providing access to authentic digital documents to the citizen's digital document wallet from anywhere and daytime. Powered by Digital India Corporation (DIC) Ministry of Electronics & IT. Government of India DigiLocker is a flagship initiative of Ministry of Electronics & IT under Digital India programme. DigiLocker aims at 'Digital Empowerment' of citizen by providing access to authentic digital documents to citizen's digital document wallet. The issued documents in DigiLocker system are deemed to be as per with original physical documents as per Rule 9A of the Information Technology (Preservation and Retention of Information by Intermediaries providing Digital Locker facilities) Rules, 2016 notified on February 8, 2017 vide G.S.R. 711 (E). Benefits to Citizens

1. Important Documents Anytime, Anywhere!
2. Authentic Documents, Legally at par with Originals.
3. Digital Document Exchange with the consent of the citizen.
4. Faster service Delivery-Government Benefits, Employment, Financial Inclusion, Education, Health.

Benefits to Agencies

1. Reduced Administrative Overhead: Aimed at the concept of paperless governance. It reduces the administrative overhead by minimizing the use of paper and curtailing the verification process.

2. Digital Transformation: Provides trusted issued documents. Issued Documents available via DigiLocker are fetched in real-time directly from the issuing agency.

3. Secure Document Gateway: Acts as a secure document exchange platform like payment gateway between trusted issuer and trusted

Requester/Verifier with the consent of the citizen.

4. Real Time Verification: Provides a verification module enabling government agencies to verify data directly from issuers after obtaining user consent

17.Skill development:

Soft skill training is provided to the students to understand the role of listening skills in effective communication, expose students to neutral accent, acquire decision making, problem solving and assertive skills. Seminars and workshops are organized for the students to enhance their presentation skills, inter-personal skills, team building, emotional intelligence and decision making. Induction/Orientation program is conducted regularly in the beginning of every academic year for the new comer's students. Life skills (Yoga, physical fitness, health and hygiene) Yoga: Our institution organizes regular yoga and meditation classes for students and faculty members in order to enhance their physical and mental health. Yoga camp is being organized regularly. Every year International Yoga Day is observed in the institution. Trained yoga instructors from the department of the physical education conduct both theoretical and practical aspects of yoga for students and faculty members. The sessions are conducted in the yoga hall. Physical Fitness: Curriculum of BPED, BPES & DYEd is a mixture of classroom lectures, comprehensive practical training as well as teacher training sessions. The syllabus is mainly divided into two components: Theory subjects & Practical subjects. Through regular morning and evening practical classes students develop and maintain their physical fitness. Health Centre: Institution is having Health Centre which is equipped with cardio equipments like, Treadmill, Bicycle ergo- meter; strengthen equipments like: bench press machine, shoulder press machine. It has 6 station multi gym. Gym is open in the morning and evening hours. Instructor motivates and guides the students to maintain their physical fitness for mental health and to have better performance in academics and sports. Hygiene: The campus is facilitated with water coolers to cater to the need of pure and safe drinking water to all. A high level of maintenance attention and regular testing ensure the water is pure, tasty and hygienic.

Every Saturday cleanliness drive 'Shramdan' is conducted through students as well as faculties to maintain clean and hygienic college campus.

Awareness of trends in technology: The technological advancements in

the real world impose the students to aware about the utilization of new technologies. In addition, the students are able to aware the current trend technologies by the following ways. Guest lectures are conducted for the students by eminent personalities on awareness of ICT.

18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture using online course) In the physical education compulsory language of under graduation course of (B.P.E.S.) The student would be able to explain the importance of language as a subject in life. Apply the various aspects of language teaching. Apply current direction in English, Marathi, Hindi, language teaching.

Identify and be sensitive to the proficiency, interests and need for trainee-learners. Apply the technology to enrich language teaching. In the (B.P.Ed) course are methodologies of teaching special subject such as English, Marathi, Hindi, Science, Mathematics, History, Geography & Civics student can choose the one methodological subject. These lectures are carried in bilingual mode and artifacts.

19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):

The Shri Shivaji College of Physical Education is only an affiliated college to Sant Gadge Baba Amravati University, Amravati and so they don't have any role in revising the curriculum. BOS members of SGBAU formulate and decide the curriculum and develop the syllabus. From the session 2022-23 the CBCS pattern was adopted by SGBAU. The College was proactive in implementing CBCS pattern. The new syllabus was formulated on the bases of Outcome Bases Education (OBE) which are as follows:

1. To enable the trainee-learners to understand the nature, purpose and philosophy of education and physical education at the secondary stage.
2. To prepare teachers of Physical Education with broader educational perspective.
3. To develop personnel, Professionals and Social competencies required in teaching profession of physical education.
4. To develop potential for planning and organizing Physical Education programmes and other play-activities.

5. To empower trainee-learners to inspire their students to actively participate in Physical and Yogic Exercises, Games and Sports.
6. To enable teachers to develop personality, character, will power, democratic values and positives attitude towards life among their students through Physical Education.
7. To make teachers capable of imparting basic knowledge about health, hygiene, nutrition and physical fitness.
8. To develop skills and competencies to organize school and community games and sports.
9. To cultivate the spirit of sportsmanship, mental and physical alertness, scientific temper and optimism.
10. To promote mental health, power of self-decision and self-control, correct judgment and action, emotional stability, respect for other and acceptance of the authority and rules.
11. To promote appreciation and interest for indigenous games, sports and yogic practices among trainee-learner.
12. To create awareness about health and hygiene in the community. The college has been taking efforts for program outcome, program specific outcome and course outcome.

20.Distance education/online education:

NEP emphasized distance education / online education which expand the access to education and training for employed students. Since its' flexible schedule reduce the effects of the time constraints imposed by personal responsibilities and commitment. The College has already started working on these aspects. The ICT based facilities are created for imparting online education. Teachers and students are encouraged to join online add-on and skill based courses. Teachers are suggested to develop e-content and online teaching material. To cope up with the advanced teaching & coaching skills and to understand current online teaching and coaching trends, teachers are motivated to participate in advanced training programs. The college is registered as SWAYAMNPTEL Local Chapter. The students are encouraged for enrolling on the SWAYAM- NPTEL courses from where they can earn credits from renowned HEIs. Students and Teachers are registered and completed SWAYAM and NPTEL courses. Institute started online certificate course and planned to start other skill development courses through online mode.

1.3 - Curriculum Enrichment

1.3.1 - Curriculum of the institutions provides opportunities for the students to acquire and demonstrate knowledge, skills, values and attitudes related to various learning areas Describe the curricular thrusts to achieve the following in not more than 100 - 200 words each A fundamental or coherent understanding of the field of teacher education Procedural knowledge that creates teachers for different levels of school education skills that are specific to one's chosen specialization Capability to extrapolate from what one has learnt and apply acquired competencies Skills/Competencies such as: Emotional Intelligence, Critical Thinking, Negotiation and Communication Skills, Collaboration with others, etc.

The curriculum of this institution offered B.P.Ed. and B.P.E.S. programmes provides opportunities to acquire knowledge and skills related to games and sports of a world-wide physical teacher curriculum to include the core areas of teacher behavioural components and skills so that the learning areas are focused towards the attitude formation of a global curriculum.

The knowledge in physical education and yoga domain emphasizing on acquisition, integration, construction, analysis, synthesis and application are provided through classroom teaching, practical classes, coaching's, conferences, seminars, webinars, workshops, discussions, debates, projects, assignments which directs towards processing critical thinking, analytical thinking, reflective thinking, and effective reasoning to develop cognitive- psychomotor abilities. Learning through multidisciplinary integrated approach for a universal perspective of acquisition of knowledge. Students and players are provided conceptual knowledge and application in different games and sports to create representative models and simulation scenarios. Students are ignited with scientific and literary temper to integrate 21st century skills for different levels of players.

Core subjects (lesson plan) and practical's are taught using the demonstration approach, wherein students are introduced to generic

teacher education concepts and then it is manifested at different levels of school education.

2.2 - Honoring Student Diversity

2.2.1 - Assessment process is in place at entry level to identify different learning needs of students and their level of readiness to undergo professional education programme and also the academic support provided to students Describe the assessment process at entry level to identify different learning needs of students and their level of readiness to undergo professional education programme and also the academic support provided to students, in not more than 100-200 words.

All students have to attend a compulsory Induction programme after admission process. In addition, Principal-students interaction, teacher-student interactions were also conducted. Teachers investigate and identify the talent level on the behalf of previous education and sports achievements.

1. Induction programme
2. Principal-students interaction
3. Group Discussions
4. General Mental Ability Test
5. Counseling

Advance Learners

1. Academic supports were provided to advance learners such as, various competitive exams through career counseling and placement cell.
2. Advised to participate in group discussions and peer group study.
3. Various activities are conducted by all the teachers or coaches in the respective areas to mould the students or players in their field.

4. Motivating them to participate in workshop, seminar and conference to inculcate skill orientation and practical awareness

5.To encourage academic toppers and university color holders

Slow Learners

1. Mentor-mentee system

2. Students are provided with group study hours in the reading room of the library.

3. Peer group teaching on discussion introduced to improve the learning ability of the slow learners.

4.Organizing Extra remedial classes and skill oriented teaching and training.

5. Remedial and Tutorial Classes are held to prepare them for remedial exams.

2.3 - Teaching- Learning Process

2.3.1 - Multiple mode approach to teaching-learning is adopted by teachers which includes experiential learning, participative learning, problem solving methodologies, brain storming, focused group discussion, online mode, etc. for enhancing student learning Describe the varied modes of learning adopted and their basic rationale for adopting such learning mode/s for different courses of each programme in not more than 100-200 words.

Our college is ensuring the use of student-centered methods such as experimental, participatory learning and problem-solving methods in the teaching-learning coaching process. The following activities are as follows.

Experimental learning:

Our college is giving all students and players the occasion to assume a job oriented as a teacher coaches and have insight of educating in the class room and field . We are additionally promising students to coordinate various tournaments and social programs at college level. It is assisting the students with improving their insight, introduction abilities and personality enhancement.

Participant Learning:

Group Discussion, Small Group Exercise, Assignment, Allocation, Quiz, Intramural competitions, Seminars, Social work, organization of various programmes and sports tournaments, etc.

Problem Solving Methodologies:

Students and are asked to prepare project, assignment, etc and many other problems were also solved which were collected through suggestion box, feedback, grievance redressal,

Guest Lectures, Seminar & Workshops

As component of academic development, college arrange guest

lectures, seminars, Conferences, Workshop

Focused Group Discussion

Group discussion were conducted with a small group of usually 8 to 12 students.

Online mode

Zoom Application , jio ,Google meet, Whatsapp Group

2.3.5 - Continual mentoring is provided by teachers for developing professional attributes in students Describe in not more than 100-200 words the nature of mentoring efforts in the institution with respect to working in teams dealing with student diversity conduct of self with colleagues and authorities balancing home and work stress keeping oneself abreast with recent developments in education and life

Working in Teams:

BPEd & BPES students are engaged in various social activities i.e. Har Ghar Tiranga Abhiyan Rally, Rally on Mahaparinirvan Diwas, Celebration of Savidhan Divas, Organization of Shri Shivaji Education Society Sports Festival, etc.

Dealing with Student Diversity:

Equity and equality are the core values with special attention to students from below socio economic strata in developing their capacity towards life skills, psycho-emotional support and technical support to complete the programme successfully.

Conduct of Self with Colleagues and Authorities

Qualities such as soft skills, body language, team spirit, co-habitation, self-conducting habits, within the community other than the profession were build.

Remedial

Remedial class was conducted to help students to improve their academic skills including literacy.

Coaching

Continuous coaching was conducted by college by faculties and coaches for students or players for development of skills of various games and sports.

Keeping Themselves Abreast

Awareness programmes are organized during the formative period of the college programmes to acquaint them with current updates in the areas of human rights, women empowerment, knowledge, ICT and evaluation.

Projects

Continual mentoring is provided by mentors for successful completion of projects, to work in teams according to the interest and develop awareness about social issues.

2.3.7 - Teaching learning process nurtures creativity, innovativeness, intellectual and thinking skills, empathy, life skills etc. among students

Innovation in physical education encourages teachers, coaches and students to explore, research and use all the tools to uncover something new. The thinking process that goes into it will help students develop their creativity and their problem solving skills. We encourage students through International & National Level Conferences, Seminars and Workshops so that students can learn something new in the field of physical education and sports.

Creativity, innovation and learning

Creativity and innovation are fundamental to all sports and academic disciplines and an essential part of the learning process, forming an important dimension of learning how to learn. Coaching camps, tournaments, various programmes, class seminars, sports coaching lessons, etc helps them to think creative and innovative.

In life skills education, students are actively involved in a dynamic activities and learning process. The activities used to facilitate this active involvement include working in small groups, organizing tournaments, participating in social rallies, debates, quiz, etc.

2.4.8 - Internship programme is systematically planned with necessary preparedness Describe institution's preparatory efforts at organizing internship programme in not more than 100-200 words with respect to the following: Selection/identification of schools for internship: participative/on request Orientation to school principal/teachers Orientation to students going for internship Defining role of teachers of the institution Streamlining mode/s of assessment of student performance Exposure to variety of school set ups

The college sends student teachers to internship programme in IV semesters of B.P.Ed. program catering to different levels.

Selection/ identification of schools for internship:

Selection/ identification of schools for internship are done keeping in mind the nearness, the abilities of the students, standard of the school, medium of instruction, sports facilities in the school, ground availability, etc.

Orientation to school principal/teachers:

Communication is shared regarding dates, classes and the ratio of student teachers, criteria for evaluation/observation for IV semesters for a period of assigned from primary to secondary levels. Principals of the schools are requested to make provisions for student teachers to observe master teachers to learn different techniques, strategies and approaches who also identify & observe their best practices.

Orientation to students going for internship:

Students are oriented and demonstrated to use different strategies of coaching, the skills, methods of coaching, activities, preparation of charts, evaluation tools etc. Practicing different innovative models, strategies and approaches under simulation sessions are implemented during internship. Before internship each teacher trainee get at least five lesson plans approved by their methodology lecturers and are instructed to submit their lesson /unit plan daily to master teachers for constructive suggestions.

2.4.11 - Institution adopts effective monitoring mechanisms during internship programme. Describe in not more than 100-200 words, the monitoring mechanisms adopted to ensure optimal impact of internship in schools with specific reference to the role of teacher educators, school principal, school teachers and peers.

During admissions, the principal meets the enrolled students personally to observe their attitudes and dedication towards the coaching profession.

Teacher Educators Role: They assist student teachers in planning period plans and assessment tools and the content developed. Demonstration lessons by the teacher educators are modeled. The teacher educator identifies the schools, orient them to make choice of games and skills and judge the practical knowledge. They also monitor interns' progress, provide feedback, assist students in finding required assistive technology resources. The teacher educators serve as a liaison with the special school personnel.

Role of Peers: Peers with the same lessons sit together to conceptualize ideas contextually and sustain one another during the course.

School Phase and Teaching Phase:

Role of School Principals: They monitor discipline, conduct, completion of class schedule, substitution classes allotted, co-

habitation skills, participation in all school programmes, attesting on completion of projects and dynamism of the student teacher trainees.

Role of School/ Master Teachers: As the internship phase draws near, the institution plans ahead for allotting schools to the student teachers. The students approach their respective coaches or teachers as instructed by the school principals.

2.5.4 - Teachers put-forth efforts to keep themselves updated professionally Describe the nature of efforts by teachers to keep themselves updated professionally in not more than 100-200 words 1. In house discussions on current developments and issues in education 2. Share information with colleagues and with other institutions on policies and regulations

The teaching community must keep themselves to pace on this path of change to implement new or modified methods of teaching-learning process to suit the requirements of the day. This is how teachers must develop or update themselves. The major initiatives for ensuring personal and professional development of the teaching staff of the institution are as follows:

1. During every staff meet, there is a practice of reading and reflecting on any emerging area of physical education and sports and how knowledge would lead to develop learning and teaching and coaching programs that are planned for future.

2. An in-depth study of the mobility of teaching as a profession, specialized areas are identified and NEP 2020, thrust areas are revisited before drafting the teacher observation suitable for a multidisciplinary environment.

3. The faculty members organize conferences, seminars, webinars, workshops, and capacity building sessions for in-house members (colleagues) in area of interest, expertise leading towards professional engagement.

4. IQAC put forth challenges in emerging new domains of knowledge like Physical Literacy, Research Methodology, psycho-social learning, emerging trends in Physical education and sports sciences are studied for personal growth of faculty & institution.

Faculty members are involved in placement cell, social activities

2.6 - Evaluation Process

2.6.1 - Continuous Internal Evaluation (CIE) of student learning is in place in the institution Describe details of the Continuous Internal Evaluation in the institution highlighting its major components in not more than 100-200 words

Shri Shivaji College of Physical Education, Amravati follows the academic schedule which is being given by the Sant Gadge Baba Amravati University, Amravati for Conduction of nonstop internal evaluation system. The academic calendar involves the dates of commencement and completion of the syllabus, time tables of internal exams and so forth It set out the dates of term end examination. The time tables have been arranged and executed in like manner. The teachers define teaching plans as indicated in the academic calendar and guidelines of the Sant Gadge Baba Amravati University, Amravati. The time table of external examinations fixed by the University and the same is display by various modes for the students. Any changes are conversed to the students well in advance.

1. Preparatory Exams are conducted every year before university exams.
2. Every teacher conducts regular class tests on the related topic.

For the betterment and development of the students college also conduct continuous internal evaluation through various mode which are as follows:

- 1) Mentor Assessment proforma
- 2) Practical aspects in all courses
- 3) Field work
- 4) Seminars and Paper presentations
- 5) Intramural Competitions
- 6) Athletic Meets

2.6.3 - Mechanism for grievance redressal related to examination is operationally effective

College's mechanism to deal with examination related grievances is transparent, time bound and efficient. The students can approach the principal, lecturers and controller to redress their examination related grievances as per the requirement of and jurisdiction of the grievance. An examination committee operates and written grievances received are discussed in the committee meeting and resolved on a case -by - case basis.

Exam Revaluation: If any student feels that marks given are not just, she can apply for revaluation, by following the stipulated norms. The controller appoints examiners other than the previous

assessor and if a change is found it is rectified.

Re-schedule of Examination/Internals: Many students who were unable to appear for the internals on the scheduled dates due to competitions or some genuine reasons, therefore a re-scheduled time table was prepared for smooth functioning of exams as well as to see that all students could appear for the same.

Examination Time: Grievances related to the examination schedule and time-table are addressed during emergency. Sick candidates are taken care of by the chief examiner by permitting them 15mts extension. Indiscipline in the hall during the semester-end exams is avoided by appointing an examination squad.

2.6.4 - The institution adheres to academic calendar for the conduct of Internal Evaluation Describe the mechanism of adhering to academic calendar for the conduct of Internal Evaluation in the institution in not more than 100-200 words.

The academic calendar is prepared by the college according to the guidelines of the Sant Gadge Baba Amravati University, Amravati and according to the temporary date sheet of the university examinations. In the semester system, theory and practical are categorized in terms of planning of time table, sports coaching lesson plan, internship, etc are also mention.

Assignment work is awarded to students and marks are awarded before the commencement of the final examination. The syllabus is discussed by the staff members of each department and prior notice is given regarding the conduct of the mid-term and final examinations.

Co-curricular activities are conducted simultaneously from time to time and information in respect of the same is displayed on the notice board. Similarly, annual celebrations are also held during the end of the academic year.

The in-charge of each program monitors the quality of teaching-learning through daily monitoring of teaching-learning activities. Continuous counseling is also done through departmental meetings and staff meetings.

2.7 - Student Performance and Learning Outcomes

2.7.1 - The teaching learning process of the institution is aligned with the stated PLOs and CLOs. Describe the way in which institution ensures alignment of stated PLOs and CLOs with the teaching learning process in not more than 100 - 200 words.

College's curriculum was drafted based on the learning outcomes in line with the vision and mission of the college. Since the ongoing NAAC period has to be in compliance with the current NAAC guidelines, college is in the process of converting the PO/CO system as evidenced by the documentation uploaded. Being in the inception stage, the system will be explored and expanded with existing processes to be revisited and redefined.

The teaching learning process of the institution is student centric with experiential, participatory learning, problem solving, and other emerging pedagogical approaches. The essence of teaching lies in the art of convincing the learner through an interactive process. The variations in the pedagogic include customizing to the diverse needs of the learner. The transaction of curriculum creates a link between learner, syllabus, content, skills with required support system. Expected behavioral changes defined in the course outcomes are mapped to programme outcome to identify the differential improvement and final attainments that are sustainable. Conceptions and perceptions about students' learning form the basis of transforming teaching to innovative learning through varied strategies. The pedagogic are aligned to the course outcomes, formulated based on knowledge, skill and attitude to be developed, mapped to programme outcome.

2.7.3 - The progressive performance of students and attainment of professional and personal attributes in line with the PLOs and CLOs is monitored and used for further improvements

Shri Shivaji College of Physical Education is affiliated college to Sant Gadge Baba Amravati University, Amravati and so they don't have any role in revising the curriculum. Till the session 2021-22 the CBCS pattern was not implemented. As Sant Gadge Baba Amravati University, Amravati implemented the CBCS pattern from the academic session. So from this academic session we will see the progressive performance of students and attainment of professional and personal attributes in line with the PLOs and CLOs.

College observes the progressive performance of students and attainment of professional and personal attributes through various modes. Concept attainment builds up the nurturing effect among the student teachers. Learning tasks through the course for UG programmes are designed to construct conscious thinking and to attain the meaning of the concepts while thinking about the thinking process which would develop the skills of ability to control the levels of thinking and lead it towards metacognition. Personal attainment like self-awareness, self-worthiness, good listening skills, articulation, classroom dynamics, joyful learning strategies, creation of a caring environment, developing empathetic feelings, and all higher order thinking activities practiced during internships, social programmes, organization of various tournaments are evidences of learning outcomes of professional and personal attributes.

2.7.5 - Performance of students on various assessment tasks reflects how far their initially identified learning needs are catered to. Describe with examples the extent to which the assessment task and the performance of students reflect their initially identified learning needs in not more than 100 -200 words.

The process for the evaluation of the performance of students in different subjects is followed as per the rules and regulations of the University authorities, Board of Examinations and Faculty. The implementation of the syllabus with changes and the process of evaluation of the learners are monitored by the college faculties. Our college promotes to the teachers to organize workshops as well as deputed to participate in the seminars and conferences. Internal assessment is the requirement of the continuous assessment and is essential for the fulfillment of the mission and vision of college.

There is an internal department committee that deals with the effective implementation of the evaluation reforms regarding the attainment of course outcomes and programme outcomes. The committee initiates a few steps such as Unit Tests, Assignment, Field Survey, Study Tours, Practical Work, Seminars etc. Besides, our college also

tries to attain the course outcomes and program outcomes by conducting the activities such as cultural activities, Career Counseling, Personality Development Program, and Communication Skills, Various inter-collegiate competitions, organizations of Awareness Programs, Life Skills Development Program, and Tournaments, etc.

4.3 - ICT Infrastructure

4.3.1 - Institution updates its ICT facilities including Wi-Fi Describe ICT facilities including Wi-Fi with date and nature of updation in not more than 100 - 200 words

The institution is equipped with high speed internet and Wi-Fi enabled campus. There are ten LCD projectors, two laptops, digital camera. The office is furnished with high configured systems, connected with internet and Wi-Fi, and has Biometric system and close circuit cameras. Computer systems are upgraded as per the requirements of the college.

Library: There are 4 computers available for the student-teachers to access to e- resources with internet and Wi-Fi connection.

Computer Lab has a server and 12 systems with LAN and internet connection.

Classrooms have computers with interactive boards, LCD projector with screen and audio system for teaching- learning purpose. During class instruction, teachers ask students to make use of their mobile phones to Google search meanings, deviations, concepts etc. for conceptual clarity. The Wi-Fi enabled classrooms support and scaffold student learning. Students are encouraged to watch videos related to teaching methodologies done by their respective teachers.

Accessibility: The staff and students have an access to internet with a separate user name and password. In the college LAN and Broadband internet connections are connected to the Principals office, library, and computer lab.

5.4 - Alumni Engagement

5.4.1 - Alumni Association/Chapter (registered / non-registered but functional) contributes significantly for the development of the institution Describe the role of alumni association in the development of institution in not more than 100 - 200 words highlighting two significant contributions in any functional aspects

Alumni Association is a great community which endeavors to impart, collaborate and share collective experience. It plays a key role in society and environment to be a better place. The Alumni association was established on 24-2-2001 when it was a faculty of Shri Shivaji College of Education, Amravati. As our college is separated in the year 2016 after that on date 23/09/2021 the alumni association was

re- established.

The college has illustrious alumni who are spread over different parts of our country with great positions and designations. Representatives of alumni are nominated on administrative and academic committees. Alumni association works for the development of college and their suggestions are considered. Alumni association has always been a source of financial and other support services to the institution.

Most of our alumni are financially well settled. We hope that they will support financially for academic and infrastructural development of college. Alumni meet is arranged for motivation and guidance of the students. Meritorious and sports achievement players are felicitated by eminent alumni with track suite, medal and certificate. They share their own experiences and encourage students to get success in life. They are informed about the seminars and workshops for professional development.

5.4.4 - Alumni Association acts as an effective support system to the institution in motivating students as well as recognizing, nurturing and furthering any special talent/s in them. Describe the mechanism through which Alumni Association acts as an effective support system to the institution in motivating, nurturing special talent in not more than 100 - 200 words

The Alumni Association was established on 24-2-2001. It was re-established on 23/09/2021 as Shri Shivaji College of Physical Education is separated from Shri Shivaji College of Education.

Alumni members are actively involved in the various aspects of improving quality in the institution. Successful alumni are invited to motivate the student teachers. An alumni representative is selected member of all statutory bodies. They are invited to publish articles in the in-house journal. They are informed about the seminars and workshops for professional development. The rich practical experiences they bring are tapped and recorded for further reference. Regular communications are through whats app with regard to government notifications and other educational matters. The

Alumni supports the institution whenever required especially during the time of visits of various Apex bodies, Accreditation organizations etc. They continuously motivate, nurture special talents by providing a common platform for professional interest such as sharing of knowledge and experiences of their teaching.

The Ex Mayor , Honorable Vilas Bhau Ingole at Amravati, an alumius played an important for the development of institution.

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of an effective leadership and participatory mechanism in tune with the vision and mission Describe the vision and mission statement of the institution on the nature of governance, perspective plans and participation of the teachers, students and non-teaching staffs in its decision making bodies of the institution in not more than 100 - 200 words.

Shri Shivaji College of Physical Education, Amravati aligns effective leadership towards the vision and mission to produce quality teachers as per the local and global needs and to improve the quality of physical education throughout India.

Vision of the college - 'To provide healthy environment for all round development of pupils and import qualitative & valuable service in the field of sports and physical education to provide well trained & responsible teacher to the society'.

Mission of the college - The overall mission of the college is to serve the need of the society in term of spreading the network of health, hygiene and sports as well as to promote physical education. As a training institute it enables students to reach their full potential by providing a wide range of educational opportunities with an excellent teaching and learning environment.

The institution has clearly stated vision and mission which is reflected in its academic and administrative governance. It also acts as road map for its futuristic development. The governance is essentially inclusive, transparent and participate. The visionary leadership supported by able administration of institution is

empowering its faculty and staff to work as an effective team.

6.1.2 - Institution practices decentralization and participative management Describe the process of decentralization and participative management practiced in the institution in not more than 100 - 200 words

The management oversees the quality of education being imparted in the institution. The principal and the faculty members are committed and ever supportive through CDC (College Development Committee) and the college council. Local managing committee is formed as per the Maharashtra University Act. President of management and principal are the members of LMC. Principal is academic and administrative head and secretary of the local managing committee. CDC needed by the principal in order to fulfill the vision and mission of the institute.

Principal established various committees for the academic growth of the college. Co-coordinator / convener of the various committees are allowed to conduct various programs to perform their abilities. They are encouraged to develop leadership skills by being in-charge of various academic, co-curricular, and extra-curricular activities. They are given authority to conduct program.

Other parts of the institute like sports, library, etc. have operational autonomy under the faculties and students are empowered to play an active role as a coordinator of students associations, co-curricular, extracurricular alumina etc.

6.1.3 - The institution maintains transparency in its financial, academic, administrative and other functions Describe the efforts of the institution towards maintenance of transparency in its financial, academic, administrative and other functions in not more than 100 - 200 words.

Proper procedures are adhered to according to government, state and affiliating university in governing the day - to- day functions of the College.

Financial: All expenditure proposals are budgeted by the Finance Committee and approved by the Governing Body. Regular internal and external auditing is a practice of this college. The audited report is generated automatically and the balance sheet is uploaded online. Performance Appraisal Report (PAR) contains the details of the budget expenditure; it is also uploaded to maintain transparency. Records of revenues generated in the form of student participation fees from co - scholastic activities, enrolment in certificate courses, faculty out-of-college services procured through the institution are maintained.

Academic: The academic calendar and the syllabus are prepared yearly. An induction program is conducted to familiarize the students with academic rules and regulations. The college discharges its functions through an elaborate system of various committees and bodies. Multiple modes of internal assessment and evaluated internal answer sheets are shared with the students. Remedial sessions for improvement are in place.

6.2.2 - The functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment and service rules, procedures, etc. Describe the functioning of the institutional bodies in not more than 100 - 200 words.

The College has a well-defined organizational structure to ensure efficient governance and management through effective decision making. The main bodies that have been constituted, formulate and

execute policies and strategic plans based on its vision and mission.

The key components of the organizational structure of the college are the various statutory bodies like Governing Body, Academic Council, BOS, IQAC, including Principal, Teaching faculty and Non-Teaching Staff. It reviews the institutional strategic plan which in turn sets the academic aims and objectives and identifies the financial and recruitment strategies. The organizational structure lends itself to sustaining institutional capacity and educational effectiveness through the involvement of external members in various Committees/ Boards. Various stakeholders are members of different committees constituted by the institution. The decision-making procedures are made at appropriate levels in the organizational hierarchy. Planning and Review is transacted under the watchful eye of the IQAC.

6.2.4 - Effectiveness of various bodies / cells / committees is evident through minutes of meetings and

implementation of their resolutions / decisions Describe one decision based on the minutes of the meetings of various Bodies / Cells / Committees which is successfully implemented in not more than 100 - 200 words.

Institute has a structure that embodies various committees, bodies and cells. The curriculum development and its subsequent revisions is process oriented delineating the philosophy, goals, objectives, student competencies, learning experiences, instructional strategies, resources and assessment as envisaged in the institution's strategic plan. The curriculum development process is a multi-step, ongoing cyclical process which is carried out in a planned and systematic manner.

The operations are carried out through regular meetings. The meetings are minutes in detail in the specific minutes book. Subsequent to the meetings, the minutes are signed by all the attending members and their solutions/ decisions so passed are extrapolated into a plan of action in synchrony with the strategic plan.

To accommodate unforeseen and emergency circumstances, contextual situations in compliance with nation, state or external regulatory bodies' instruments, the staff council commensurate with the college's vision, mission and strategic plan for the current academic year.

During teaching learning sessions, lecturers make extensive notes of changes that are obvious as a result of classroom transactions driven by student experiences that add value to the existing curriculum bringing it more in line with the present needs.

6.3.5 - The institution has a performance appraisal system for teaching and non-teaching staff Describe the process of performance appraisal system for teaching and non-teaching staff in not more than 100 - 200 words.

The College has a systematic general process to assess both its teaching and non-teaching staff's performance and productivity in accordance with the College's program educational objectives. In addition to the actual performance, other aspects such as citizenship behavior, potential for future improvement, strengths and weakness are also factored into the appraisal. The objective is not only to evaluate the performance as per established norms, but to identify potential aspects for improvement that can eventually lead to further progress and growth.

In this respect, the College strictly adheres to the UGC Regulations on minimum qualifications for the appointment of the teaching faculty, who in due course staff may upgrade their qualifications.

The salient features of the performance appraisal system are:

Every year the management assesses the performance through self-appraisal method. This is one mechanism used by the management to

motivate and inform the staff about their performance and required areas for development. The management appreciates and gives increments for genuine contributions towards the welfare of the institution.

The College undertakes a wide range of activities besides academics, for which faculty members are assigned additional duties and responsibilities. The College accords appropriate weight age for these contributions in their overall assessment.

6.4 - Financial Management and Resource Mobilization

6.4.1 - Institution conducts internal or /and external financial audit regularly Describe the process of internal and external financial audits along with the mechanism for settling audit objections, if any, during the year in not more than 100 - 200 words

After assessing the available resources, bills, plan for the next financial year, budgets, etc., in the month of April send to CA after presenting and approved by the finance committee and governing body of the college respectively. Considering the actual value from R & P statement, the final budget is prepared and sends for approval to the governing Body of the society.

Individual faculty members document their purchase requirements and submit it to the head of the Institution which in turn is forwarded to the financial committee. The requirements are vetted and earmarks items that can be purchased within the annual budget constraints. The final list is then produced during the governing body meeting for approval. Once approval is obtained, the finance committee sends out a request for proposal. The proposal thus received is examined and a vendor is selected.

Finance committee oversees the college's financial well-being looks into the maintenance of annual accounts and audits. The institution strives its best to sustain and maintain quality irrespective of the

budget granted and utilized. The accounts registers of the institution are maintained managed and operated in the name of the institution.

6.4.3 - Institutional strategies for mobilization of funds and the optimal utilization of resources are in place. Describe the procedure of mobilization of funds and its optimal utilization in not more than 100 - 200 words.

The College offers B. P.Ed and B.P.E.S. programmes. B.P.Ed and B.P.E.S. programmes is run with funds from student tuition fee, UGC and Autonomy grants. In addition to this, the College has aided faculty, salaries are paid by the State Government.

Salary Grants (100%) is under process from Government of Maharashtra ,tuition fees collected from students is deposited into the bank and used by the Institution. The deficit, if any, is met through advances from the Management. Shri Shivaji Education Society, Amravati (Management) gives separate funds for infrastructure and development of the college.

The Institute has a well-defined procedure to monitor effective and efficient utilization of available resources for infrastructure, development and teaching learning and coaching process. All the major financial transactions are monitored by the office management. The financial resolutions of the institute is monitored and recommended by purchasing committee members. Finally there are trustees of the society who approve and may guide with regard to financial transaction of the institute. In addition to this, the account of each financial year of the institute is audited by chartered Accountant.

6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) or any other mechanism has contributed significantly for institutionalizing the quality assurance strategies Describe the process adopted by the institution for quality assurance through IQAC or any other mechanism in not more than 100 - 200 words

The college has a rich culture of institutional functioning through participation among all stakeholders especially faculty, students and the non-teaching staff. The IQAC plays an important role in ensuring quality of the functioning of administrative and academic units of the college. In order to make the students aware of the current and futuristic challenges and opportunities, the teaching faculty is encouraged and motivated to develop a scientific temper so as to propagate a research culture amongst the students. This is achieved by constantly sharing new research findings in their respective fields with the students. The IQAC Cell of Shri Shivaji College of Physical Education, Amravati was formed on dated 26th June 2019.

All the college activities and programmes were conducted under IQAC

6.5.2 - The institution reviews its teaching-learning process periodically through IQAC or any other mechanism Describe the process adopted by the institution for reviewing Teaching-Learning Process periodically in not more than 100 - 200 words.

It has been one of the concerns of IQAC to adopt practices, which will provide quality education to the students through an effective and meaningful teaching-learning-coaching process. This plays vital role in enhancing the quality of the academic, skill and co-curricular endeavors of the students in keeping with its vision and mission.

IQAC achieves this through practices, viz.,

1. Regular meetings were conducted and SWOT Analysis is undertaken. Based on it, the IQAC gives constructive feedback to the faculties suggesting measures for internal quality enhancement. It makes recommendations for self-evaluation and to set higher goals to meet new challenges.

2. Collecting feedback from stakeholders like students, parents, staff and alumni to facilitate teaching learning reforms. This helps in obtaining an unbiased and honest opinion about the institutional performance especially in academics. Student feedback of faculty is conducted and analysis of the feedback is done and communicated to the faculty to enable them to enhance their teaching skills and their relationship with the students.

6.5.5 - Institutions keeps track of the incremental improvements achieved in academic and

administrative domains of its functioning through quality assurance initiatives For first cycle: Describe two examples to show incremental improvements achieved within the institution during the year in not more than 100 - 200 words each For second and subsequent cycles: Describe two examples to show incremental improvements achieved within the institution due to quality initiatives since the previous accreditation in not more than 100 - 200 words each

As a quality measure and in line with the direction of Sant Gadge Baba Amravati University, Shri Shivaji College of Physical Education, Amravati has adopted Choice Based Credit System (CBCS) from this year for B.P.Ed and B.P.E.S. programmes. In this regard the our faculty members who are member of Boards of Studies takes initiative to revised and modified the programs and to bring these in line with the course content and structure as recommended by UGC. The ability enhancement courses, skill enhancement courses, generic elective courses, and soon have been offered to the students. The faculty members were appointed who could facilitate in helping students to understand, choose and register the courses that they wish to opt for any programme in any given semester. CBCS course codes for all the courses offered in all the programmes were developed accordingly. Everything has been put in place for the complete implementation of CBCS: for example, the hours of teaching for each course, credits required for completing any course, value-added courses, or Non-Credit CGPA courses etc. The CBCS has been fully implemented in almost all programmes.

INSTITUTIONAL VALUES AND BEST PRACTICES

7.1 - Institutional Values and Social Responsibilities

7.1.1 - Institution has a stated energy policy streamlining ways of energy conservation, use of alternate sources of energy for meeting its power requirements Describe the institution’s energy policy streamlining ways of energy conservation, use of alternate sources of energy for meeting its power requirements in not more than 100 - 200 words.

The college is committed to constant improvement in its awareness as part of a wider commitment to sustainability and social responsibility. Recognizing that in pursuing the vision and mission of the college, there is a need to protect the college’s immediate environment, therefore utmost care and attention is given to all our activities to ensure sustainable use of resources, discouraging wasteful practices, minimizing pollution and re-using material for

benefit of individual and society at large.

In its attempt to design and establish a fundamentally institutional commitment with responsibility towards environment, the college has initiated simple yet workable solutions like replacing faulty electric wires and switches, using CFL bulbs, mapping electricity switches, automatic tripping system, UPS protection for computers in place. As the college infrastructure is naturally ventilated with adequate natural light, the campus is conducive for energy efficient practices.

7.1.2 - Institution has a stated policy and procedure for implementation of waste management Give a brief note on the institution policy for waste management along with its implementation procedure in not more than 100 - 200 words.

The Institute has a policy whose underlying philosophy is sustainable waste management by increasing resource efficiency and harmonizing the relationship between society, environment and economy. The College plan of action includes an essential role in sustainable development by not only preparing student teachers for professional success but also by harbingering in them a civic duty as citizens of the society.

The policy provides potential for community engagement and self-development through teaching, research and outreach programs. Awareness programmes are conducted by the students within the college campus and extension activities in the community through campaigns, publishing articles in the College Magazines Waste Management Policy echoes its commitment to mitigate the environmental impacts through effective waste management and sustainable practices by converting waste into reusable resource. Through the college clubs the college strives to work towards a zero waste campus resounding an eco-friendly ecosystem of "reduce, recycle and reuse."

Solid Waste Management

The college has implemented solid waste management measures to covert solid waste into valuable resources.

Liquid Waste Management

The College actively promotes water conservation practices to reduce water wastage.

E-Waste Management

Separate room is available for disposing e-waste.

7.2 - Best Practices

7.2.1 - Describe at least two institutional best practices (as per NAAC format given on its website)
Describe any two best practices successfully implemented by the institution as per NAAC format

Best Practices - I

Organization of Athletic Meet for Disabled School Children

The primary objective of conducting sports meet or athletic meet for Disabled School Children is to identify, improve and enhance the functional abilities which in turn makes him to live a life of Independence and also to prepare him for high level competitions.

Physical activities are used for recreation, and leisure activities to improve the physical, cognitive and social/emotional abilities of disabled school children's. It also prepares an individual with disability for the National and International competitions.

Organizing such activities is a great pleasure for Shri Shivaji

Best Practices - II Blood Donation Camp

Objectives of the Practice: It is a unique programme conducted by the Shri Shivaji College of Physical Education, Amravati every year but from last two years it was not conducted due to COVID. College raises awareness among all the stakeholders that individuals can save lives and improve the health of others by donating blood. This

will encourage people to donate blood voluntarily without compensation and support the operation of safe and reliable blood services.
