COVID-19 Pandemic

During the COVID-19 pandemic, education has continued online almost worldwide. Understanding the nature of online learning and how it reflects on practices is essential for developing an effective international perspective for continuous improvement in learning and skills.

As Shri Shivaji College of Physical Education, Amravati the curriculum of this college is based on physical activities. Many activities are carried out such as **practical class, coaching, training, field trips, competitions, camps, internship, tournaments, and picnics** within the scope of values education. The purpose of these activities in and outside of college is to create environments where students are active, to activate many different senses, to learn by doing, and to even have fun. Students are believed to learn more from experiences in traditional classrooms by using education-related experiences carried out in out-of-college environments that contribute to students' socialization, and that positively affect their values.

Due to the COVID-19 pandemic, the session 2019-20 & 2020-21 was affected a lot, college was unable to organized many outfield activities such as

- Practical class
- Internship
- Coaching
- Training
- Field trips
- Competitions
- Camps
- Tournaments
- Picnics
- Educational Tours
- Blood Donation Camp
- Sports Meet for Disabled School Children
- Shelter Visits
